Art in the Park

On the Civic Green at
The Newport Beach City Hall
October 15, 2015

The Newport Beach Arts Foundation, a nonprofit 501(c)(3), will hold its annual **Art in the Park** event on October 15. Your participation as a sponsor of Art in the Park supports the Foundation's mission to help the city appointed Arts Commission ensure the presence of the arts in Newport Beach, to assist in the city's acquisition of significant art, and to further the Foundation's educational mission to enhance the understanding, appreciation and enjoyment of the arts.

Artists and artisans from across Southern California are invited to exhibit their works for sale. Your donation will help underwrite **Art in the Park**. Donations of \$250 and above will entitle you to have your company name listed in advertising such banners, newspaper and magazine ads, and on our website. All sponsors will be recognized in the **Art in the Park** program that is distributed to attendees on the day of the event.

Please indicate your donation level.
